★ Congratulations to 2B who have achieved 95 % attendance over the last week. ★

Year 6 Financial Literacy Project

Our Year 6 pupils spent time at QE High on Tuesday as part of a Financial Literacy project. This project brings together a range of skills which will be important for our pupils as they navigate the world of finances as young adults. The project is part of our transition programme and will be followed up when pupils start in Year 7. Pupils demonstrated great focus and took the opportunity very seriously – Da iawn!

Reception and Year 1 Space Day!

On Friday our pupils in Reception and Year 1 enjoyed a 'Sensational Space Day!' A big thank you to WonderDome Mobile Planterium for a mesmerizing experience. The children were absolutely captivated as they stepped inside the dome and were transported on an exciting journey through space. They loved learning about the planets, stars and constellations, and were amazed by the stunning visuals above them. Throughout their topic, pupils have taken part in a range of fun, space-themed activities, including making their own jetpacks and astronaut helmets, imagining what it would be like to be an astronaut. A fantastic day was had by all – it has certainly inspired some future space explorers! 🚀

Celebrating Learning

Diolch to those families who joined us for our Celebrating Learning event this week. It was once again a wonderful opportunity for families to share the great examples of learning across the academic year and have the time to sit and talk through these experiences with their children.

Staff Skill Development

It has been a busy week of training for our staff. The focus of this training has been ALN, early maths skills and attendance. This training is so important in making sure that our pupils have the best chances to succeed across the whole curriculum. Diolch to members of Carmarthenshire County Council advisory team for support us with this.

Wishing you an enjoyable weekend with friends and family.

Yours sincerely,
Mrs J Davies
Headteacher

Dates
