★ Congratulations to 3H who have achieved 97% attendance over the last week. ★

Careers Talk

On Monday Year 5 & 6 were delighted to welcome parents and volunteers to school to talk about their careers. We had a wide range of speakers which included Fire Officers, an author, engineers, a digital innovation officer and a director of technology. They gave pupils a great insight into the world of work and what experiences and skills would help them in the future. Thank you to all of our speakers who have helped to bring this part of learning to life.

Year 6 Market Traders

After weeks of intensive preparations, Year 6 presented their Market Traders project on a stall at Carmarthen Market on Wednesday. They did an amazing job of selling their range of botanical products, selling out of all the products before the end of the event! Pupils were able to raise £405 from the project and are now planning how to spend the money! A huge thank you to all pupils in Year 6 for their efforts and to Year 6 staff for supporting them through the project – da iawn!

Sports Participation

Pupils across years 3, 4, 5 & 6 have been busy participating in sporting events this week including cricket, tag rugby and football. A big 'well done' to all the pupils and staff who attended these fixtures and represented our school with pride.

Sports Day – Tuesday 19th May

We hope to welcome families to school on Tuesday for our annual Sports Day. Currently the weather is forecasting rain however, we will continue to monitor the reports and let you know of any changes as soon as possible. Should we need to postpone the day, a second date of Wednesday 24th June is planned.

Wishing you an enjoyable weekend!

Yours sincerely,
Mrs J Davies
Headteacher
