★ Congratulations to 5T who have achieved 94% attendance over the last week. ★

Restorative Award Presentation

On Monday we were delighted to welcome some important people from our community and the Education department to our school to celebrate the success of the Restorative Award. As part of the celebration, pupils, staff, governors and visitors enjoyed a video outlining the work of the school in achieving this award – this can be viewed on the school Facebook page. Well done everyone!

Year 3 trip to Oriel Science

As the culmination of their theme learning, our Year 3 pupils enjoyed an exciting visit to Oriel Science and the National Waterfront Museum in Swansea on Tuesday. They had a fantastic day taking part in a range of hands-on scientific experiments, which brought their classroom learning to life. At the Waterfront Museum, the children also explored fascinating aspects of Welsh history, making the visit both educational and enjoyable. It was a wonderful opportunity to enrich their learning through real-life experiences.

Reception Minibeast Hunt

As part of their summer term theme, pupils in Reception visited Johnstown Park for a Mini-Beast Hunt on Wednesday. Pupils were very excited to find a range of minibeasts from worms to butterflies. Great fun was had by all!

Teddy Bear Picnic for Nursery

Nursery pupils enjoyed a Teddy Bear Picnic this week as part of their end of year celebrations. They had lots of fun and were delighted to bring their Teddy Bears to school.

Transition

Pupils from Nursery to Year 6 took part in transition activities this week in preparation for September. This involved Year 6 visiting QEH and other classes taking part in 'Moving Up' morning. It was a great way of preparing the children for the new experiences to come in the next academic year!

Wishing you an enjoyable weekend!

Yours sincerely,
Mrs J Davies
Headteacher
