

Johnstown Primary School Newsletter

11.09.26

Congratulations to 3W who have achieved 96% attendance over the last week.

Croeso nol

A very warm 'croeso nol' (welcome back) to you all. I would like to take this opportunity to again welcome the new families who have joined our Johnstown family. Pupils have spent the last week settling into their new classes and becoming familiar with the expectations of this academic year. It has been a great start!

INSET dates 2026-2027

Staff took part in two valuable training days at the start of the academic year which supported our teaching of key phonics and early maths skills. The remaining INSET dates for this academic year are as follows:

- Friday 23rd October 2026
- Monday 4th January 2027
- Monday 19th July 2027
- Tuesday 20th July 2027

Help us celebrate your child

Your views help us to understand how to support your child in school. If you haven't already, please use the link below to complete our Parent and Carer Information Sheet.

Meet the Teacher

Diolch yn fawr to everyone who joined us for 'Meet the Teacher' this week. It was great to see everyone exploring our learning environments. For those unable to attend, some useful information about your child's class can be found on our website using the link below.

Sensory tools (fidget toys)

Children should not bring fidget toys or sensory tools into school from home. If a child requires any of these resources to support their learning or wellbeing, the school will provide appropriate equipment and ensure it is used in a way that best meets their needs.

Wishing you an enjoyable weekend!

Yours sincerely,

Mrs J Davies

Headteacher

Dates

Thursday 24th September -
