18th May 2023

Launch of the New School Website and Online Safety Workshop

Dear Parents/Carers,

Following recent communication with you regarding our new school website, I am pleased to announce that we wish to invite you to join us to launch the website in an event on **Thursday 25th May 2023** from **5.30pm-6.30pm**.

As part of the evening Mr Darrel Cousins and members of our Criw Craff Pupil Council will present the new website and its main features. This will be followed by an Online Safety Workshop for parents, presented by our Police Liaison Officer - PC Craig Williams.

This workshop will focus on the safer use of the online environment, which plays an increasingly significant role in the social, educational, and behavioural aspects of our lives. The workshop will include information and helpful parental advice for online safety and guidance relating to social media, in line with the law. It will also be an opportunity to share any concerns in a supportive environment.

[‘Keeping safe online’](#) is a useful webpage from the Hwb learning platform that has been produced by the Welsh Government and is freely available to all. This website provides guidance on the appropriate use of social media, and tips to encourage safer online access for your child/ren and a vast range of other helpful material for learners, educators and parents. Other helpful links will also be found on the E-Safety page of the new school website, which will be outlined during the event.

To attend the workshop, please add your contact information to the Forms link below. The Forms can be used to raise any questions that you have in advance of the event (your personal data will not be shared with external agencies or websites).

[Online Booking Form](#)

We hope to see you there. Should you wish to speak with PC Craig Williams to discuss a particular concern, please contact the school office on 01267 236653 to that we can arrange an appointment time for you.

Yours sincerely

Mrs L Reynolds
Deputy Headteacher
